18. Early Humans	86
------------------------	----

Ankit's family

A family is a group of people who are related to each other. Grandparents, uncles, aunts and cousins are the names of some relatives. Here is a picture of Ankit's family. Let us meet them.

Look at Ankit's family picture and fill in the blanks.

1. Ram Kumar's wife is _____
2. Ram Kumar is Leena's _____
3. Ram and Leena are Anu's _____
4. Ankit is Ram's son. Anu is his daughter. Ankit and Anu are Ram's _____

parents
children
Leena
husband

Our Neighbourhood

This is our neighbourhood. There are many houses in a neighbourhood. Many people live in a neighbourhood. People who live in the same neighbourhood are called neighbours.

Let us walk through Rita's neighbourhood and see what is happening.

Some of the neighbours have children. Some do not.

Some live in a family. Some live alone.

Some have a pet. Others do not.
